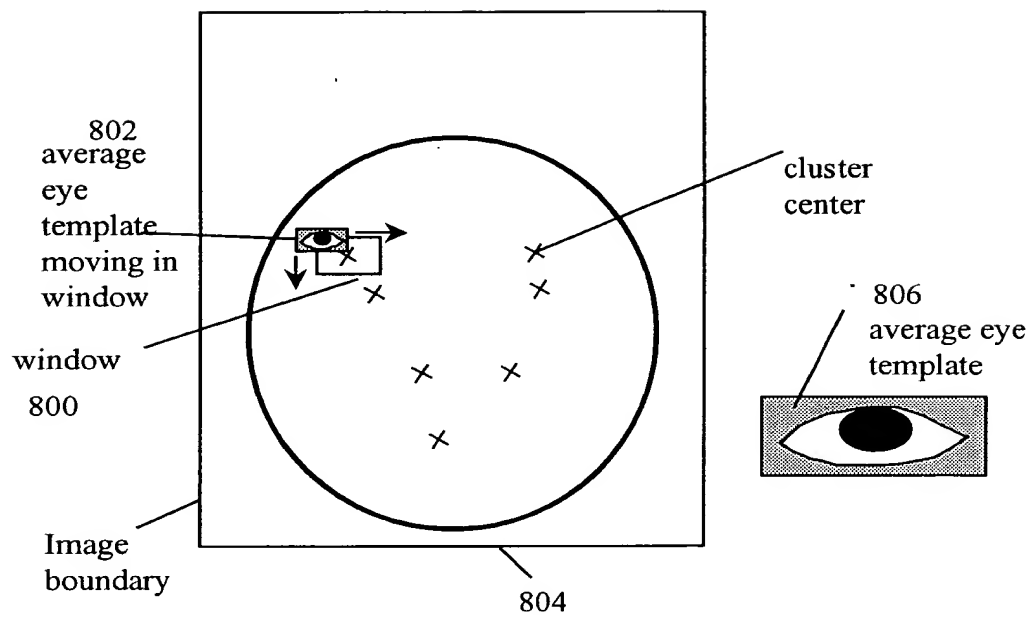

FIG. 8

Diagram illustrating the movement of an average eye template (902) in an image (904). The image is divided into a left half (908) and a right half (910) by a vertical dashed line. The average eye template (902) is shown moving from the left half towards the right half, indicated by an arrow. A detailed view of the average eye template (906) is shown on the right, consisting of a black pupil and iris within a white eye shape, all contained within a rectangular frame.
